## About

All Saints Anglican School has a strong reputation for academic excellence. It is one of the leading co-educational day schools in Queensland, Australia.

Member of the following associations:

- Independent Schools Queensland
- Modern Language Teachers' Association of Queensland
- Chinese Language Teachers' Association of Queensland
- Alliance Française

## Our online learning journey

All Saints Anglican School Languages Department - comprised of French, Chinese, and Japanese - started working with Education Perfect in 2011.

In 2018, the School trialed Education Perfect and subsequently subscribed to the full-suite.

## Why Education Perfect (EP)

All Saints was one of the first adopters of the Language Perfect platform, which has now evolved into EP.

“After our initial trial, we immediately saw the value of this online tool as a novel and motivational program for the language acquisition process. Since subscribing, and as a result of the extensive evolution of EP, our ability to customise content and assessments, the quality of the listening and reading materials and the facility of tracking student performance, we have continued to benefit from EP after many years.”

### **Mary Spinella**

Subject Coordinator, French  
All Saints Anglican School

---

“I recommend this platform for classes with or without devices - students can work as a group or at their own pace with ease. My teaching methods have also improved as a result. A happy customer!”

### **Jo Ridgers**

Japanese Teacher  
All Saints Anglican School

---

## Impact

- Our teachers are able to use existing content or customise materials based on individual needs; setting homework and tracking it has never been easier. It is an effective time-saver.
- Our students receive immediate feedback and they love the competition element.
